WEEK OF
February 5

SOPHOMORES: COURSE REGISTRATION

Last week school counselors visited all sophomores in their English classrooms to present their junior year course options and reviewed the course registration process. This week (week of **January 5**) all sophomore students will meet 1:1 with their school counselors during their English classes.

Before this 1:1 meeting, all sophomores must:

- 1) Input their courses in PowerSchool
- 2) Parents sign the "2024-2025 Course Request Verification" Form. Instructions on how to submit forms on PowerSchool [here](#).

If either of these is not complete by the week of **February 5**, counselors will not be able to schedule courses.

JUNIORS: CCHS'S SUMMER COLLEGE CAMP

We are pleased to announce that we will be hosting our annual College Camp this summer for our rising seniors. This is a great opportunity for students to spend a week preparing for the college admissions process with the support of our College Counseling Team. A few items we will cover include:

- Creating a Resume
- College application essays
- Essay feedback from college admission representatives
- College research
- Scholarship Search
- And more!

College Camp will be held **July 22-26, 2024**, at CCHS in the Academic Center. Session A is from **8-11 am** and Session B is from **12-3 pm**. The College Camp fee is \$399. Instructions on how to log into your Blackbaud account to register and pay for College Camp are [here](#). Visit our [website](#) for more details.

SUMMER PRE-COLLEGE PROGRAMS

[University of Wisconsin-Madison PreCollege](#)

Badger Precollege offers a variety of opportunities designed to inspire high school students in course subjects ranging from art, law and psychology to forensics, health sciences and computer science.

They are now accepting applications for summer 2024! Need-based scholarships are available for most programs.

[UCLA Film and Television Summer Institute](#)

Students are invited to experience UCLA's campus, earn college credit and network with emerging artists from around the world. Offerings include Digital Filmmaking, Writing for TV, Cinematography, Traditional Animation and Media Parks.

Registration opens **February 15**.

Attend the virtual info session to learn more!

Tuesday, February 6, at 4:30 PM PST.

The event will also include a live Q&A session.

[Register here](#)

[Columbia Pre-College Program](#)

Students who are currently in grades 8-12 may apply for summer Academic Enrichment Programs to try their hand at over 70 subjects normally reserved for college. For example: Constitutional Law, Investment Portfolio Management, Data Science and Machine Learning, and Introduction to Architectural Design and Theory, to name a few.

Columbia offers online courses and two in-person program options in NYC. Note, students must be 16 years or older for residential programs. All students may choose from several extracurricular options/workshops while residential students live in our dorms and experience the vibrancy of New York.

[Applications are now open!](#)
