“My iPad is Damaged, what do I do?”

If your device is damaged, you need to have it *replaced through Apple* using your \$49 AppleCare+ Insurance deductible. It will take 2-3 days to get a new device. Plan wisely!

OR

Pay the fee to the school.

If you plan to return a damaged device and pay the \$49, **[please email the Tech Office immediately](#)** so we can send you the link to take care of payment. This will GREATLY reduce your time in line at return. Include a picture of your device.
